*No.* 377.—The following resolutions of the Government of India are republished :—

HOME DEPARTMENT.

POLITICAL.

*Delhi, the 18th December 1914.*

No. 2951-2964.—In supersession of the orders contained in the Resolution of the Government of India in the Home Department, *No.* 2831-2842, dated the 8th December 1899, the Governor-General in Council is pleased to issue the following instructions with regard to certificates of identity.

2. Every native of India who contemplates proceeding out of India to foreign countries is strongly urged, before leaving, to furnish himself with an authoritative certificate of identity, in the form appended to this Resolution, signed by the head of the district (in a Presidency Town and in the town of Rangoon, the Commissioner of Police) in the case of residents of British India, and by the Political Officer in that of residents of Native States. In the case of a student the certificate should be signed by the head of the last school or college and countersigned by the District Officer (in a Presidency Town and in the town of Rangoon, the Commissioner of Police) or Political Officer as the case may be.

Appeals for assistance by destitute Indians who desire repatriation and by students who, owing to embarrassed circumstances, are unable to complete their course of education cannot be dealt with satisfactorily unless the parties are in a position to produce evidence of identity. The possession of a certificate of identity will be specially useful to young men of good family, as it may enable the Secretary of State to obtain for them social and other attentions.

Those who are desirous however, of travelling in countries where a passport will be necessary are advised to furnish themselves with such a document also before leaving India, in lieu of, or in addition to, a certificate of identity. It should be remembered that no person is entitled to a passport, as of right, on the ground that he is a British subject, and the production before authorities outside India of a certificate of identity, unless supplemented by documentary evidence of respectability, is not sufficient to ensure that a passport will be granted.

*Form of Certificate of Identity.*

1. Name of applicant_____

2. Father's name and caste_____

3. Residence_____

4. Age of applicant_____

5. Nationality of applicant*_____

6. Social or pecuniary status of father (or guardian)_____

7. Date of probable departure of applicant from India_____

8. Object of applicant's visit to England (Europe)_____

*Signature of District Officer (or a Presidency Town, the Commissioner of Police or Political Officer, or head of school or college.†)*

*Dated*_____

* I.e., whether a British subject by birth or by naturalisation (or a subject of a Native State).

† Countersignature of the District or Political Officer should be obtained on certificate signed by heads of schools or colleges.

NOTE.—Holders of certificates of identity intending to apply subsequently in England or elsewhere for a passport to visit a foreign country are warned that no person is entitled to a passport as of right on the sole ground that he is a British subject. The production of a certificate of identity, therefore, will not ordinarily be sufficient to secure the grant of a passport, unless it is supplemented by documentary evidence of respectability, endorsed by a Local Government or other authority competent to issue passports in India, certifying that the bearer is a fit and proper person to receive a passport.

No. 6987.—The following letter received from the Government of the East Africa Protectorate is published for general information :—

THE SECRETARIAT, NAIROBI,
EAST AFRICA PROTECTORATE,
*June* 27, 1913.

Sir,

I have the honour to inform you that the Government of the British East Africa Protectorate has recently had under consideration the desirability of enforcing more strictly the provisions of the Immigration Restriction Ordinance, 1908, and the Immigration Restriction Amendment Ordinance, 1910, copies of which are enclosed herewith.

2. Section 11 of the original enactment provided that any person appearing to be a prohibited immigrant under section 3 (*a*) * might be permitted to enter the Protectorate on payment of a deposit according to nationality † In the course of time this restriction was shown to be acting as a deterrent in the case of persons who might well be admitted to the country, and the amending Ordinance was promulgated whereby the Immigration Officer was empowered to accept security in lieu of the deposit.

3. In the great majority of cases no arrangements for this security are made prior to embarkation and in consequence such persons have hitherto been allowed to land in order that they may be given the opportunity of finding a surety. This concession has led to abuse and is in itself objectionable inasmuch as the deposit prescribed by section 11 of the Ordinance of 1908 is payable before landing, and if the section is read together with section 4 (1) of the amending Ordinance of 1910, it is clear that the demand for security must also be complied with before landing.

4. The Government has therefore decided that all immigrants should either make the necessary deposit, or provide the security required, before leaving the ship on arrival in port. The strict enforcement of this regulation will take effect as from the 1st of September 1913 and I have the honour to request that steps may be taken to make this procedure known in those districts from which immigrants to British East Africa usually arrive. Persons who cannot deposit the necessary sum or have failed to find the requisite security will after that date be sent back to India, and the Government of this Protectorate will not hold itself responsible for any expenditure thus incurred.

I have the honour to be,

Sir,

Your most obedient servant,

C. C. BOWRING,
*Chief Secretary to the Government.*

Local Governments and Administrations are requested to make the information contained in the letter as widely known as possible, particularly in places from which emigration to British East Africa is believed to be most common. Intending emigrants should also be warned of the risks they run in proceeding to the Protectorate if they are unable, before landing, to deposit the sum of Rs. 50, or to comply with the demand for the requisite security in lieu of the deposit.

* This section prohibits the immigration of any person without visible means of support or any person who is likely to become a pauper or a public charge.

† The deposit required from a native of India is Rs. 50.

*Fort St. George, June 22, 1923.*

*No.* 378.—Under section 4 of the Madras Planters' Labour Act, I of 1903, the Governor in Council is pleased to authorize Messrs. Thomas Ryan, Thrissipi Estate, Talapoya P.O., and Beauchamp St. John Scudibee, Chundale Estate, Vayittri P.O., to witness the execution of labour contracts.

*Fort St. George, June 28, 1923 [G.O. No. 1654, Law (General).]*

*No.* 379.—In exercise of the powers conferred on him by sections 2 (*f*) and 23 of the Indian Emigration Act, 1922, the Governor in Council is pleased to make the following rules in regard to the determination of doubts or disputes arising otherwise than in the course of a legal proceeding in respect of any of the matters specified in section 2 (*f*) of the Act—

(1) A magistrate as defined in Rule 2 (*f*) of the Indian Emigration Rules, 1923, shall be competent to decide any such doubt or dispute as is referred to in section 2 (*f*) of the Act.

(2) Where the magistrate is himself in doubt as to whether a work is skilled or unskilled, he shall refer the matter to the Commissioner of Labour who shall advise him thereon.

(3) In deciding questions as to whether any person is an emigrant or whether any person has been assisted otherwise than by a relative, the magistrate shall make such inquiry as he thinks fit.

(4) Subject to the provisions of Rule 27 (*2*) of the Indian Emigration Rules, 1923, the magistrate shall not be bound to record in writing any evidence adduced at the inquiry.

(5) The result of any inquiry held by the magistrate shall be embodied in the form of a certificate granted by him to the person concerned.

(6) No written application shall be necessary to enable a magistrate to hold an inquiry under these rules.

(7) In respect of emigration to Ceylon, the Straits Settlements, the Federated Malay States or the Unfederated Malay States the powers conferred on magistrates by the above rules may also be exercised by Protectors of Emigrants.

*No.* 380.—Under section 9 (2) of the Indian Emigration Act, 1922, the Governor in Council is pleased to fix the limits prescribed from time to time under section 4 of the Indian Ports Act, 1908, as the limits of ports for the purposes of this Act.

Importance of registration.

20. Technical regulations for the registration of boilers and the scale of fees for registration are prescribed in Part II of the Regulations. The details of measurement recorded at the time of registration constitute a permanent record for the boiler and determine the original pressure at which the boiler is allowed to work. It is accordingly essential that the work should be done with the greatest care and precision.

Receipt of applications.

21. Applications for registration shall be made under section 7 (1) to the Chief Inspector, and shall be accompanied, under rule 9, by a receipt for the prescribed fee. No application shall be accepted without the receipt. No boiler shall be registered, if on measurement the fee is found to be deficient, until the deficit has been paid. Any excess payment will be refunded at the time of registration.

Necessity of avoiding delay.

22. It is essential that no delay should occur in registration. In large towns, the measurements under section 7 (3) should ordinarily be completed and the report submitted to the Chief Inspector within fifteen days of the receipt of the application ; in no case should the interval exceed thirty days. The Chief Inspector should issue his orders under section 7 (4) without delay.

Procedure on transfer of a boiler.

23. Whenever a boiler is transferred from one province to another the owner shall, under section 6 (b), apply to the Chief Inspector of the province to which the boiler is transferred for the registration of the transfer; the boiler cannot be used until registration has been effected. The Chief Inspector shall then obtain from that province the Registration Book and Memorandum of Inspection Book of the boiler. No fee shall be charged for recording transfers.

Entry of transferred Boiler in Register.

24. On receipt of the Registration and Memorandum of Inspection Books, the Chief Inspector shall enter the boiler under its original number in Part II of his register.

Note of transferred and dismantled boilers.

25. Whenever a boiler has been transferred or broken up, the fact shall be noted in the register of the province from which it has been transferred. In the case of a boiler that has been permanently dismantled the Registration Book and the Memorandum of Inspection Book shall be destroyed.

*V. Administrative instructions for inspection.*

Reference to previous inspections.

26. Detailed instructions for boilers are contained in Part II of the Regulations. In making inspections it is important that the Inspector shall pay particular attention to entries made in the Memorandum of Inspection Book at the time of the previous inspection.

Procedure during inspection.

27. In arranging for inspections particular attention should be paid to the provisions of rule 16 (c). The notice required by section 8 shall be sent in Form B. If an hydraulic test is necessary in addition to the ordinary inspection, 14 days' notice shall be given to the owner. During the inspection of one of a battery of boilers, the Inspector should take the opportunity of examining the other boilers under steam with special reference to the water gauges, pressure gauge and safety valves.

Issue of certificates and provisional orders.

28. In cases in which the Inspector is empowered to issue a certificate under section 8 without further reference, the certificate should ordinarily be issued within forty-eight hours of the completion of the inspection. Where he proposes to issue a provisional order, the Inspector must satisfy himself that the boiler is fit to be worked at the maximum pressure and for the period entered in the provisional order. The fact of issue of a provisional order shall be reported immediately to the Chief Inspector.

Forms for provisional orders and certificates.

29. Provisional orders and certificates shall be issued in forms C and D respectively.

Fees for inspection.

30. Fees for inspection shall be calculated on the basis of boiler rating. The following fees are prescribed:—

| | Rs. |
|---|---|
| For boiler rating not exceeding 100 .. .. .. .. .. | 20 |
| For boiler rating exceeding 100 but not exceeding 300 .. .. .. | 30 |
| For boiler rating exceeding 300 but not exceeding 500 .. .. .. | 40 |
| For boiler rating exceeding 500 but not exceeding 700 .. .. .. | 50 |
| For boiler rating exceeding 700 but not exceeding 900 .. .. .. | 60 |
| For boiler rating exceeding 900 but not exceeding 1,100 .. .. .. | 70 |
| For boiler rating exceeding 1,100 .. .. .. .. .. | 80 |

For certificates for a period not exceeding six months the fee shall be one-half of that prescribed for a twelve months' certificate.

For certificates for a period exceeding six months, but not exceeding twelve months, the full fee prescribed for a twelve months' certificate shall be levied.

*VI. Accidents.*

Investigation of accidents.

31. On receipt of a report of an accident to a boiler or steam-pipe under section 10, the Inspector should, with the least possible delay, proceed to the place to investigate the accident. If the report is received by the Chief Inspector, he should forward it at once to the Inspector within whose jurisdiction the accident has occurred, for necessary action.

Procedure during enquiry.

32. The Inspector at his enquiry shall make a careful examination of the damaged parts, and shall take such measurements and make such sketches for the purpose of his report as he may deem necessary. He shall enquire into the circumstances attending the accident and note the time of its occurrence, its nature and extent, the injury caused to persons and the damage done to property.

Power to hold enquiry in writing.

33. Inspectors are authorised to take the written statements of witnesses and all persons immediately concerned with the accident. In order to comply with the provisions of section 10 (2) the Inspectors should present to the owner or person in charge of the boiler a series of written questions on all points that are material to the enquiry.

Use of boiler after accident.

34. The Inspector must decide whether the use of the boiler can be permitted at the same or at a lower pressure without repairs or pending the completion of any repairs or alterations that he may order. In no case should he issue a provisional order or renewal certificate until his orders have been carried out.

Procedure in case of serious accidents.

35. The report should be sent without delay to the Chief Inspector, if he considers that the investigation has been sufficient, he will record the facts in his Register of Accidents and enter a brief account of the accident in the Registration Book, a copy being made in the Memorandum of Inspection Book. If, however, the accident is of a serious nature and in all cases in which an explosion has occurred

the Chief Inspector should after receipt of the Inspector's report, proceed to investigate the accident personally or to move the Local Government to appoint a commission to enquire into the accident. Reports of such enquiries should be recorded as indicated above.

Commissions of Enquiry.

35. Commissions appointed under the preceding rule should ordinarily consist of the Chief Inspector and one independent person.

Reference to Annual Report.

37. A brief account of all accidents and their causes should be included in the Chief Inspector's Annual Report.

Procedure in the case of unreported accidents.

38. If in the course of an inspection or at any other time, the Inspector discovers damage which comes within the definition of an accident, but which has not been reported, he should report the facts at once to the Chief Inspector for action under section 24 (*d*).

*VII. Appeals.*

Appellate authority.

39. Appellate authority under section 20 shall consist of an officer appointed by the Local Government (who shall be called the President) assisted by three assessors chosen from a panel constituted by the Local Government for the purpose of hearing appeals. Assessors shall be competent persons with the necessary practical knowledge and experience. The President shall be an officer with judicial or magisterial experience and shall be appointed for such period as the Local Government think fit.

Attendance of assessors.

40. The Chief Inspector shall arrange for the attendance, on the date fixed for the hearing of an appeal before an appellate authority, of at least three members of the panel of assessors constituted under rule 39 to act as assessors, one of whom shall be permitted to be nominated by the appellant.

Opinion of assessors

41 The opinions of assessors shall be recorded and duly considered, but the decision of the appeal shall rest with the President.

Fees of assessors.

42. An assessor shall be entitled to a fee of Rs. 15 for every day he attends the sittings of the appellate authority in addition to travelling expenses incurred.

Filing of appeal,

43. Every petition of appeal shall be made in writing either in English or in the vernacular and shall bear a Re 1 Court Fee stamp.

Presentation of appeal.

44. An appeal may be presented either personally or by registered post to the Chief Inspector.

Form of appeal

45. The petition of appeal shall be accompanied by the original order, notice or report appealed against, or by a certified copy thereof, or when no such order, notice or report has been made in writing, by a clear statement of the facts appealed against, the grounds of appeal and the referring section of the Act.

Fixing date for hearing.

46. On receipt of an appeal, the Chief Inspector shall, if the appeal is to be heard by himself, at once fix a date for hearing the appeal; and if it is to be heard by the appellate authority, obtain a date for the hearing of the appeal from the President of the Court. It is important that there should be no delay in the decision of appeals, as the stoppage of a boiler is likely to put the owner thereof to great inconveniences. The decision should ordinarily be given within fifteen days from the receipt of the petition of appeal.

Procedure before hearing.

47. When the date of hearing has been fixed, the Chief Inspector shall at once issue a notice to the appellant stating the date for hearing and informing him that if he wishes to be heard in support of the appeal or to produce evidence, he must be present either in person or by authorised agent with his evidence on the date fixed. The notice shall be sent to such address as shall be entered in the petition of appeal.

Presence of Inspector.

48. In all appeals the Chief Inspector shall decide whether the presence of the Inspector is necessary, and shall issue orders accordingly.

Attendance of witnesses.

49. The Chief Inspector and appellate authority shall, for the purpose of appeal, have the same powers to summon witnesses and make local investigations as are conferred on a civil court by the Code of Civil Procedure.

Ex parte decisions.

50. If on the day fixed or any other day to which the hearing is adjourned, the appellant is not present when the appeal is called on for hearing, the appeal may be decided in his absence.

Costs in appeals.

51. In appeals before the appellate authority the President shall assess the costs; he shall recover the same from the appellant in any case in which the appeal is dismissed. The appellant shall in all cases of appeal in which a local inspection is required, deposit in advance the full costs of such inspection.

Fees required for certificates granted on appeal

52. Any order on appeal authorizing the registering of a boiler or the grant or renewal of a certificate shall be deemed to be subject to the payment of such fees as are prescribed by rules or regulations framed under the Act.

(ii) *Remetalling existing roads.—Insert* the following as paragraph 21 (*a*) :—

*Fort St. George, June 29, 1923 (G.O. No. 1489, L. & M.).*

*No. 588.*—The Government do not wish to fetter the discretion of local bodies in the matter of holding joint or separate group conferences. If however, from the experience of previous conferences, either municipal councils or local boards feel it desirable to have their sittings separate, they would advise that both the classes of local bodies should consult with each other and arrange to hold their exclusive group conferences at the same station and during the same period so that there might be facilities for joint and separate sittings. It will be conceded that such a course will be very convenient and also economical in view of the fact that despite separate conferences there are several questions for joint discussion and that joint conferences cannot therefore be avoided.

*Fort St. George, June 25, 1923.*

FEES—MADRAS MEDICAL COLLEGE.

*No. 589.*—In G.O. No. 889, Public, dated 29th July 1914, the Government fixed the rate of fees to be levied for the L.M.S. & the M.B.B.S. courses in the Madras Medical College at Rs. 120 a year or Rs. 600 for the whole course of five years. This amount represented a small fraction of the actual cost incurred by the Government in educating a student, but it was fixed so low in order to popularise the Medical profession. The cost of Medical education has risen enormously since 1914, so much so that in 1921–1922 the Government had to spend from general revenues about Rs. 821 on the average per student educated in the college in that year. The number of students seeking admission into the College has also been steadily on the increase. In 1922, out of 251 candidates qualified for admission only 97 could be admitted into the College. The Government therefore consider that the time has now come when an enhanced rate of fees may reasonably be demanded from students in the College. They accordingly direct that the following revised rates be adopted with effect from the 1st July 1923 :—

| | Existing rate. | Revised rate. |
|---|---|---|
| | Rs. | Rs. |
| (i) Annual fee .. .. .. .. | 120 | 200 |
| (ii) Fee for the whole course if paid in one sum on joining the College .. .. .. | 540 | 850 |
| (iii) Fee for the 1st year in the case of Physical Science graduates .. .. .. .. | 65 | 110 |
| (iv) Fee for a supplementary course for students who fail in the final L.M.S. or M.B.B.S. examination. | 60 | 100 |

No change will be made in the annual registration fee of Rs. 5.

2. The revised rates fixed above will be applicable to candidates joining the College in July 1924 and subsequent years. In the case of those who joined the College in previous years the existing rates will be continued provided they complete the course regularly; if, however, a student fails in any examination and has to study in the same class another year he will be required to pay fees at the revised rates for the whole of his subsequent course.

3. The Surgeon General is requested to give wide publicity to these orders when inviting applications for admission into the College next year.

4. Separate orders will issue in regard to the question of instituting a suitable number of scholarships to be awarded to students in the College.

*Officer in charge.*

*No. 1.*—In virtue of the powers delegated under clause XI of Government Notification No. 485, dated 13th July 1896, published on pages 1203 and 1204 of the *Fort St. George Gazette*, dated 29th September 1896, Part I, and in supersession of Board's Notification No. 4, dated 29th June 1922, the Commissioner of Salt, Abkari and Separate Revenue hereby prescribes the following rules for the issue, etc., of licences under section 12 of the Madras Abkari Act I of 1886, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1923 :—

(1) The villages in the Agency division specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiri district and the Wynad taluk, Anjengo, Tangasseri and the Attappadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licences shall be issued on the application—

(*a*) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;

(*b*) of persons having the exclusive privilege of manufacture and supply of cocoanut toddy arrack;

(*c*) of tappers on their own application in the South Kanara district, provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;

(*d*) of tree-owners generally, and of sweet-toddy tappers in the villages of the Agency division specified in Schedule I, in the Godaveri district, in the Narasapur, Bhimavaram, Tanuku, Ellore and Tarnagudem taluks of the Kistna district, and in the Repalle and Bapatla taluks of the Guntur district for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers, for the drawing of toddy required for domestic consumption, but not for sale;

(*e*) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory;

(*f*) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Salt and Abkari Inspector of the State; and

(*g*) of any member of a hill tribe whether a tree-owner or not, residing in any of the villages of the Vizagapatam district specified in Schedule II, for not more than five trees for such household for domestic consumption but not for sale.

In cases (*a*), (*b*), (*d*) and (*e*), the licences may be issued in the name of the applicant himself or of his nominee, and in cases (*c*), (*f*) and (*g*) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licences must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury, a Taluk treasury or a Salt treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. Pudukkottai renters when applying for trees in British territory must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licences must be made in the prescribed form to the Inspector, Salt, Abkari and Customs Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of Salt, Abkari and Customs Department, and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped; those put in by other persons must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made to a village head, the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned along with the application in form T.T. 6, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping license in Mysore. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner or person in possession of the trees intended to be marked, in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licenses for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area by the Madras Presidency or in Mysore with a view to afford rent thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licenses for trees so reserved.

6. Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Kurnool District. Similarly those in the Banganapalle State will be allowed to tap trees in the adjoining British territory. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer superior in rank to a petty officer and for the issue of the licence. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the Godavari district, in the Narasapur, Bhimavaram, Tanuku, Eluru and Yernagudem taluks of the Kistna district, in the Repalle and Bapatla taluks of the Guntur district and in the villages of the Agency division specified in Schedule I, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree, nor shall any pot be attached to any toddy tree, until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dadasal (*Arenga Wightii*) trees in South Kanara, tree tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for coconut and sago trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following except in the case of the trees which have been illicitly tapped, on which the full tree-tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which licence is applied for :—

| Districts. | Coconut palms (for each half-year as defined in rule 11 above). | Sago palms (for each half-year as defined in rule 11 above) | Palmyra or date palms (for the whole year as defined in rule 11 above). | Dadasal (*Arenga Wightii*) palms (for the whole year as defined in rule 11 above) |

## NOTIFICATION.

*No. 4, dated 26th June 1923.*

NOTICE OF SALE OF ABKARI PRIVILEGES.

Notice is hereby given that the privilege of sale of toddy in independent shops in the tree-tax areas of the Presidency, including the Banganapalle State and the toddy farms of 123 villages of the Parlakimedi Maliahs of the Agency Division, will be put up to auction subject to the conditions hereinafter set forth. The period for which the privileges will be sold will be twelve months commencing 1st October 1923 and ending 30th September 1924. The number of shops and farms, the local limits appointed for them and the dates on which, the places at which and the officers by whom the auction sales will be conducted will be notified by Collectors and the Agency Commissioner in their District Gazettes. In the districts of Tanjore, Ramnad, Tinnevelly and Salem a large number of arrack shops will be closed, with effect from 1st April 1924, in the areas that will be notified separately by the Collectors before the sales of toddy shops. A separate notification will be issued regarding operations under the tree-tax system.

### Conditions of Auction Sale.

I. A deposit must be made by each bidder before bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the Kurnool district, the selling officer may, where he finds it necessary, require a deposit of Rs. 10 from bidders for toddy shops. In the South Kanara district, the selling officer may, at his discretion, reduce the deposit to Rs. 2 for shops whose average monthly rental does not exceed Rs. 2. In the case of farms Rs. 100 will be the ordinary deposit. This will be reduced to Rs. 50 in the case of bidders for farms of an aggregate monthly rental of not more than Rs. 100 and to Rs. 10 in the case of bidders for single small farms.

II. The shops or farms will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the Collectors. The reserve price placed by Government on the shops or farms will not be published, but the average of the previous five years' rentals will be notified by the Collectors, wherever possible, for the information of bidders.

III. No person will be allowed to bid for another unless he holds a power of attorney from him.

IV. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of licence or of a contract under the Abkari Opium Act as to render him undesirable as a holder of a license; or (2) that he is insolvent or in arrears to Government; (3) that his bid is purely speculative; (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop, or of a neighbouring village; (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; (6) that he is a brewer bidding for beer shops; (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

V. The shops will be knocked down to the highest bidder. If for any of the reasons mentioned in the preceding clause the highest bid is rejected the next highest shall be taken or the shop resold at the selling officer's discretion. In case of dispute the selling officer's decision shall be final. The sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless revised by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any officer appointed by him.

VI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under clause 1) for each shop or farm unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause 1 will be forfeited and the shop or farm will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the defaulter will be debarred from bidding again for the same or for any other shop or farm in the sales then in progress.

VII. Any person to whom a shop or farm has been knocked down and who has made deposits as provided in clauses 1 and VI shall also deposit, in cash or approved security, within ten days from the date of communication of the Collector's acceptance of the bid, such further sum as with the former deposits will make up two months' rent and shall without unnecessary delay take out a licence on the conditions hereinafter set forth. In the event of the purchaser's death after issue of licence, his heirs and assigns shall be responsible for all moneys that may become due to the Government under the terms of the licence as well as for the proper observance of all the conditions of the licence. Should the initial deposit exceed two months' rental, the excess will be refunded unless the purchaser is requested to deposit twice that sum under clause VIII infra.

VIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rental in addition to the sum prescribed in clause VII supra, or to execute a mortgage of his immovable property in favour of the Government for all moneys that may become due under the terms of the contract with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the purchaser. Or the purchaser shall be required to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract and to execute a mortgage deed of his or their immovable property in favour of the Government for the payment of all moneys due under the said contract by the purchaser with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the surety or sureties or by the purchaser. The bond and the mortgage deeds shall be stamped and registered at the expense of the purchaser. In all cases where sureties are demanded the licensee shall be bound to execute a counterpart agreement.

IX. On the failure of any person to make a deposit or take out a licence under clause VII or to comply with any requisition or to execute any engagement under clause VIII supra, the deposits already made may be forfeited and the shop or farm may be resold under the orders of the Divisional Officer on a date to be notified by the Collector or may be otherwise disposed of by the latter officer. Besides under this clause will be at the risk of the defaulting bidder, who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the shop or farm is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale. Disposal otherwise than by re-sale includes also closure.

X. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him.

XI. The deposits referred to in clause VII or VIII may be made either in cash or in recognised Government, Port Trust, Municipal or Local Board securities, or by depositing Postal Savings Bank pass-books or deposit certificates obtained from the Provincial Co-operative Bank (Madras Central Urban Bank) or from any of the Central Banks approved by the Registrar of Co-operative Societies. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required, as in the circumstances of the market he may think necessary. The securities or Savings Bank pass-books deposited must be endorsed in the name of the Collector and Government promissory notes must be enfaced for payment of interest at the treasuries at which they are deposited, if so required. In the case of Co-operative Bank deposit certificates, the deposits must be made in the name of the Collector of the district, the contractor must agree in writing that he undertakes the risks, if any, involved in the investment and the Banks must certify on the deposit certificate granted that the deposit is withdrawable on the Collector's demand.

Deposits in cash will be adjusted towards the instalments of kists due in the last months of the period of the lease. Deposits of securities or Savings Bank pass-books or Co-operative Bank deposit certificates will be returned upon payment of the full amount of the kists due in cash unless the depositors wish that Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to Government must be paid in cash. In cases of default under clause IX of the conditions of auction sale or under condition 37 of the general conditions applicable to all abkari and opium licenses, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder, if any, due after such sale, being recovered as arrears.

## General Conditions applicable to all Abkari and Opium Licences.

1. Shops and depots must be opened by the dates fixed by the Collectors and must be kept open every day unless their temporary or permanent closure is authorized under condition 10, 11 or 41 *infra*.

2. Except where definite sites in the possession or under the control of Government have been prescribed, purchasers of shops must make their own arrangements for securing proper sites for their

shops. They are at liberty to choose any site within the local limits notified by the Collector, provided the site selected is approved of by the Revenue and Police authorities. The limits of the site selected and approved will be entered in the licence. The possession (except subject to the rules applicable to unlicensed persons) or sale of liquor, opium or intoxicating drugs outside these limits is prohibited.

3. Sales under any abkari or opium licence must be conducted in an approved building of which the whole or the whole of a separable part must be entirely set aside for use as a depot or shop. In the case of arrack shops and taverns in municipalities, or towns having a population of 20,000 or over, there shall be no possible means of ingress or egress in any direction except into the main street; if there are other doors they shall be kept locked under the seal of an officer of the Salt, Abkari and Customs Department; the interior of the shop shall be sufficiently lighted by day and the whole interior visible from the front door; the shop shall not be used as a place of residence save by the vendor and his family or caretakers. If there are means of communication between the depot or shop and an adjoining dwelling house, they must be kept locked at night.

4. Except where two or more foreign liquor licences are held by one person or in the case of licences held by chemists and druggists and medical practitioners, sales under different licences must be conducted in different premises.

5. Private bars in liquor shops may be allowed by the Collector under a special licence to be granted by him free of fee; provided that the interior of the bar is wholly visible from the doorway, and that the entrance to it is either through the main door of the shop or through a separate door provided with a proper sign to show the nature of the bar.

6. A sign-board must be affixed to the front of each depot or shop showing the nature and number of the licence under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and in the case of taverns and wholesale depots in English also. The licence must be hung up in a conspicuous place within the depot or shop.

7. The possession upon any licensed premises of any liquor, opium or intoxicating drug except that to which the licence relates or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding licence is prohibited.

8. Such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained in depots and shops.

9. No arrack shop, foreign liquor tavern or beer shop shall be opened before 9-30 a.m. Toddy shops in Salem town shall not be open before 8 a.m. No other shop or depot shall be opened before sunrise.

10. (a) No depot or shop shall be kept open after 8 p.m. except under special authority. Collectors may at their discretion order the closure of any depot at sunset and may on the report of the Police or for other sufficient reason order the closure of any shop at an earlier hour if they consider such a course to be advisable in the interests of the public. The Board may for sufficient reasons order the general closure of any kind or kinds or all kinds of licensed premises at any earlier hour than 8 p.m.

(b) With the previous sanction of the Board, Collectors are authorized to notify at the time of the auction sales that specified shops will be closed on the occasion of specified festivals, and that the hours of sale at specified shops which are in the neighbourhood of a market or chandy will be limited on market days generally or that they will be liable to limitation on such occasions by orders issued during the currency of the lease, if it is found that the shops promote drunkenness. Discretion is allowed to Collectors to order the closure of specified shops in the neighbourhood of factories, mills and other places where large numbers of operatives assemble on week days from 11-30 a.m. to 1-30 p.m., on the afternoons of pay days and at all hours on Sundays except between 11-30 a.m. and 4 p.m. A special condition embodying these restrictions or liabilities will be inserted by the Collector in the licences granted to the renters of all such shops.

11. Depots and shops situated on or adjacent to line of march must be closed, if the Collector so orders, while a regiment or detachment of soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also temporarily to close any shops in times of religious excitement or disturbance. Every depot and shopkeeper shall on his motion close his depot or shop when there is a riot or disturbance in the neighbourhood.

12. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to liquor, opium or intoxicating drugs either to increase their intoxicating power or for any other purpose. This prohibition, however, does not apply to the compounding or blending of liquor or to the manufacture of intoxicating drugs from hemp drugs and opium in accordance with the terms of a licence. Liquor shall not be bottled except under a bottling licence. Nor shall different kinds of liquors be mixed and sold under the designation of one of them.

13. No woman shall be employed in any abkari or opium shop for the sale of liquor, opium or intoxicating drugs without the special permission of the Collector unless she be a member of the renter's family.

14. The sale or transport of liquor, opium or intoxicating drugs by persons below the age of 18 or by persons suffering from leprosy or any contagious disease and the employment in any capacity of such persons in shops or depots licensed for the sale of the same are prohibited. No persons who have been convicted under the Indian Penal Code shall be employed in the transport or sale of liquor, opium or intoxicating drugs without the Collector's previous permission. The Divisional Officer may, where necessary, call for the names of all persons employed or proposed to be employed in any depot or shop and forbid the sale of liquor, opium or intoxicating drugs by any person of whom he may disapprove.

15. No liquor, opium or intoxicating drug shall be sold or given—

(a) Except at shops specially approved by the General Officer Commanding the Division [or Independent Brigade] or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the licence—

(1) to sailors of the Royal Navy, soldiers and members of their families; or

(2) to any other person living in barracks;

(f) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, i.e., any class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;
(2) to Policemen, Excise officers and Railway servants when on duty; or
(g) in any circumstances to any—
(1) European vagrant under escort of the Police;
(2) child or young person under eighteen years of age;
(3) insane person; or
(4) person known or believed to be intoxicated.

*Note.*—The restrictions in (e) and (f) do not apply to soldiers, their families and followers when they are absent on leave from their regiments.

16. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or firms of standing and respectability dealing in foreign liquor for consumption off the premises.

17. No liquor, opium or intoxicating drug shall be sold either below or above such minimum * or maximum † prices as may be fixed for sale of the same in accordance with the law for the time being in force.

18. No liquor, opium or intoxicating drug in excess of the quantities prescribed for possession without a license as specified below shall be issued to any person at any one time from any licensed premises without a valid permit, nor shall liquor be sold at wholesale depots in quantities less than the minima prescribed.

| Arrack. | Toddy. | Ganja. | Opium. |
|---|---|---|---|
| One-tenth of a gallon except in special localities separately notified, where it is generally one dram. In the Nilgiris district four drams. | One gallon except in special localities separately notified, where it is one dram. In the Agency the municipality and in the Salem municipality 24 drams. | In the Agency Division two tolas of ganja and forty tolas of bhang, and elsewhere five tolas of ganja, twenty tolas of bhang and preparations or admixtures containing the above quantities. | In the Agency Division any quantity up to three tolas, and elsewhere one tola of opium or preparations therefrom other than morphine or preparations for smoking. |

Permits shall be in printed books, which can be obtained at all offices of the Inspectors of the Salt, Abkari and Customs Department on production of receipts for payment of the cost price into a Government treasury. The signing of blank permits for subsequent issue is prohibited.

19. Only such weights and measures as may from time to time be prescribed by the Commissioner of Salt, Abkari and Separate Revenue shall be possessed or used on any licensed premises, and they shall be tested and stamped by the stamping establishment of the district if the Collector shall so direct.

20. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

21. No robbers or thieves or disorderly or riotous persons shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police officer.

22. No person shall be harboured in any depot or shop during the night.

23. True accounts of transactions shall be maintained from day to day in ink in the prescribed form. Unless special permission is given to the contrary, separate accounts shall be kept for the transactions under each license. The accounts shall be in printed books which may be obtained from local Revenue officers on payment of cost price. Permits for liquor, opium or intoxicating drugs received and the counterfoils of permits issued must be carefully filed in support of the accounts. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by an officer not below the rank of an Assistant Inspector of the Salt, Abkari and Customs Department.

24. Except in the case of hereditary licenses, the amount for which the privilege of sale has been purchased shall be payable in twelve equal monthly instalments into a Government treasury on or before the 10th of each month beginning with April or October as the case may be. Interest will be levied on any instalment not so paid and after the 20th of the month in Madras town or the 30th of the month elsewhere shops are liable to be sold for failure to pay kists. Toddy shops may also be resold for failure to pay tree-tax. Fees for depot licences must be prepaid.

25. No remission or abatement of the rent shall be claimable on any account whatever.

26. Power is reserved to duly authorised Officers to suspend licenses in case of failure of payment of kists or in the case of teddy licences of tree-tax on the due date. In the case of arrack, toddy, ganja and beer shops and taverns, this power will be exercised by Tahsildars or Deputy Tahsildars in independent charge, in the case of opium shops by Divisional Officers and in other cases by Collectors. In the event of suspension of a license for failure to pay arrears, the privilege of sale will be resold with effect from the date of issue of the license to the new purchaser, or otherwise disposed of at the Collector's discretion. Disposal of the privilege of sale otherwise than by resale includes also closure of the shop or tavern. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee and shall become due immediately on resale or other disposal of the shop; but the defaulting licensee shall have no right to any gain which may accrue. The whole of the deposit, if any, made by the licensee shall be liable to forfeiture. The officer who has power to suspend the licence may at his discretion allow sales to continue pending resale or other disposal of the privilege.

27. No privilege or supply or vend shall be sold, transferred or sub-rented without the Collector's previous permission. Nor, if the Collector so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

* For liquor shops—vide Board's Notification No. 4, dated 27th January 1921, as amended by Notification No. 13, dated 19th July 1921.

† For opium shops in the Agency division a uniform rate of one rupee a tola has been fixed.

28. (a) No abkari or opium licensee in an Indian State or Foreign territory will be allowed to have any interest in a licence for the same article in British territory without the special permission of the Collector.

(b) No abkari or opium licensee in any area in British territory may have any interest in or hold a licence for the same article in any other area in British territory in which a different rate of duty is in force, without the special permission of the Collector for which the party concerned must apply without delay. Breach of this condition will render the party liable to the penalties prescribed by condition 27 in respect of all or any of the licences held.

29. Such returns and information as may be required by the Divisional Officer from time to time shall be furnished by holders of licences.

30. Licensees are bound to report to the Divisional Officer all instances which come to their knowledge of persons employed by them in the manufacture, transport or sale of liquor, opium or intoxicating drugs, committing breaches of the $\frac{\text{Abkari}}{\text{Opium}}$ law and to comply with the Divisional Officer's orders respecting the continued employment of such persons.

31. Pecuniary dealings by licensees of any kind whatever with officials of the Salt, Abkari and Customs Department are absolutely prohibited.

32. With the sanction of the Board of Revenue, any licence shall be revocable by the Collector at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

33. All licensees shall be bound by any additional general rules that may be prescribed under the $\frac{\text{Abkari}}{\text{Opium}}$ laws and shall, if so required by the Collector or any officer authorized by him, deliver up their licences for amendment or for the issue of fresh ones.

34. The officers authorized to inspect licensed shops and depots are—

(1) any officer of the Revenue Department of rank not lower than Revenue Inspector, and

(2) any officer of the Salt, Abkari and Customs Department of rank not lower than Sub-Inspector

These officers are empowered to enter and examine the premises, to test the weights, measures, liquor, opium and intoxicating drugs in the possession of the licensees, and to call for and check the accounts kept in the shop or depot. Police officers will also make inspections when it comes within the scope of their duty.

35. All officers authorized to inspect depots and shops are authorized to detain any liquor, opium or intoxicating drugs found unfit for consumption or use or which they may believe to have been tampered with in any of the ways referred to in condition 13 and all Collectors and Deputy and Assistant Commissioners of the Salt, Abkari and Customs Department are empowered to confiscate, or destroy such liquor, opium or intoxicating drugs.

36. An inspection note-book, with pages numbered consecutively shall be maintained for the use of inspecting officers and shall be handed over to the Inspector of the circle or to any officer authorized by him to receive it on a receipt being given therefor.

37. An infraction of any of the conditions of the licence either by a licensee or by any person in his employment will render the licensee liable to—

Either (a) fine up to Rs. 50;

or (b) cancellation of licence and resale or other disposal of the privilege at the risk of the licensee and, if considered necessary by the Collector, forfeiture of deposits;

or (c) prosecution of the licensee or his agent for the specific offence committed.

The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of a license, continuing fines may be imposed.

38. Any licence may be forfeited and the privilege be resold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the $\frac{\text{Abkari}}{\text{Opium}}$ Act, or of any offence under the Indian Penal Code, which in the Collector's opinion renders him unfit to hold it, or if it is brought to the notice of the Collector that the licensee has been convicted prior to the issue of a licence to him before a Magistrate of any of such offence.

39. Any sum due by a licensee may be adjusted from the deposit, if any, made by him or collected under the Revenue Recovery Act as an arrear of land revenue. The licensee shall be bound to replace any sum adjusted from his deposit within fifteen days of receipt of notice from the Tahsildar or Deputy Tahsildar in independent charge.

40. Interest on all moneys due shall be payable at the rate of 6 per cent per annum.

41. Collectors may at the commencement of the lease order the transfer of depots and shops from one locality to another or their closure or the opening of new depots and shops within limits as to number to be fixed by the Board of Revenue in their discretion. But no new shops should be opened unless notice of the area selected has been published in the District Gazette six months before the commencement of the lease and no such changes as affect the interest of adjacent shopkeepers shall be made during the currency of a lease except under special sanction of the Board. A Tahsildar may at any time permit the transfer of a shop within the limits notified for the shop in the sale notice.

42. The right is reserved to the Collector to grant 'occasional licences' for the sale of liquor opium and intoxicating drugs on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses should be issued only when absolutely necessary and shall ordinarily be granted to the shopkeepers who usually supply the locality or to rented areas to the representative of the renter. The licences shall run only for such period not exceeding ten days as they are actually required. Not more than one licence shall be issued for a fair or festival without the sanction of the Board.

The fees to be paid for the licences shall be fixed at the discretion of the Collector.

## Conditions applicable to Toddy Licences.

1. The privilege conferred extends only to the sale of toddy.

2. Toddy required for sale should be drawn under separate tree-tapping licences to be obtained under the tree-tax rules, from toddy trees in the tract in which the shop is situated or in any other tract in which the rates of tree-tax are not lower, subject to the discretion of the officer granting transport permits.

3. No toddy except the produce of trees, for the tapping of which a licence has been issued, shall be kept in the shop, offered for sale or sold.

4. The Collector will fix the minimum number of trees to be entered in original applications for tree-tapping licences.

5. The licence confers no right to the free use of any trees.

6. Arrangements for tapping private trees must be made with the owners thereof and tree-tax at the prescribed rates paid thereon.

7. The licensee shall be responsible to Government for all payments of instalments of fees due on account of tree-tapping licences granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

8. Toddy may be imported from His Exalted Highness the Nizam's Dominions for sale in toddy shops in the Bellary district on payment of a duty of three annas per gallon.

10. The addition of water to and the distillation of spirits from toddy are absolutely prohibited.

11. No sweet toddy, even if it be the produce of marked trees on which tree-tax has been paid, shall be kept or sold in the shop, nor shall any sweet toddy be mixed or allowed to be mixed with fermented toddy drawn from trees marked for the shop either in the shop or outside it.

12. In addition to the restrictions imposed by general conditions (2) and (14), the following restrictions will be imposed in respect of the area of shops and number of compartments and sellers in the districts named.
